World Humanitarian Day: August 19

Water=Life recognizes World Humanitarian Day, a time to acknowledge those who face danger and adversity in order to help others and to celebrate the spirit that inspires humanitarian work around the globe.

Our mission is to nurture the human spirit through the gift of clean water. Water=Life has been inspiring hope and health to children and their families through our clean water project since 2012 beginning in Western Kenya and, most recently, in Haiti. Please join us in providing clean water and health through your financial support.

Make a difference "one drop at a time" by spreading the word. Like us on Facebook, share our site with friends, and visit our website WaterEqualsLife.org to learn more about us.

Water=Life™

Saving communities one drop at a time.
